

Job Title:

Senior Transportation Engineer

Job Description:

JTL is seeking a Design Engineer to join our Transportation Department. The ideal candidate will have 5-10 years of civil engineering design experience specific to roads, highways and/or bridges. In addition, experience with INDOT and/or KYTC is preferred.

Desired Skills & Experience:

- Bachelors Degree in Civil Engineering
- Licensed Professional Engineer in Indiana and/or Kentucky
- 5-10 years of successful project experience within a consulting engineering firm
- Strong interpersonal and communication skills
- Knowledge of Indiana Department of Transportation and Kentucky Transportation Cabinet design standards, procedures and specifications is preferred
- Proficiency in AutoCAD is a must
- Civil 3D experience is a plus.

Company Description:

Jacobi, Toombs and Lanz, Inc., Consulting Engineers and Land Surveyors is a Civil Engineering firm with over 60 years of experience. We have a proven record in the planning, design, and construction supervision of diversified projects, covering the full range of municipal infrastructure.

The firm was established in 1955 as a sole proprietorship, and today, as a private corporation, has offices in Indiana and Kentucky with a staff of 45+ employees. Our clients include Federal, State and local agencies, developers, utility companies, and private firms. Our firm became a certified Minority Business Enterprise (MBE) in 1999.

Jacobi, Toombs & Lanz, Inc. is an equal opportunity employer and we do not discriminate on the basis of race, color, religion, sex or national origin.
